

# Medline New Line

500 • 540 • 580

An aerial view of a white inflatable boat with an orange stripe on the side, moving across blue water. The boat has 'medline' and 'ZODIAC' logos on its side and an 'EVINRUDE E-TEC' outboard motor at the rear. Three people are on board: a man in black shorts leaning on the bow, a woman in a red bikini sitting in the middle, and a woman in a white bikini standing at the stern with her hands raised. A splash of white water is visible in the foreground, and a person's head is seen swimming in the water below it.

hurray for holidays!

easy  
to use

practical

clever

New hull, new deck, new tube

Table system towards the bow for a "dining area"

## Medline 500

The dimensions and the weight of each Medline model have been specifically optimised to give excellent weight-to-power ration, going for moderate engine power while simplifying launching and retrieving manoeuvres.

On the Medline 540, the back seat backrest collapses to provide an exceptional sundeck.

Plentiful storage space

## Medline 540

Deck plans ensure exceptional ergonomics and modularity: on-board movement is easy, the sundecks are spacious and easy to set up; the afterdeck feels comfortable and secure. Sunbathing, eating or swimming, it couldn't be easier!

Clever convertible stern bench for an extra sundeck

Aft bathing platform to ensure safe reboarding

## Medline 580

The hull's build quality, the unique comfort of the upholstery, top-of-the-range fittings, easy maintenance of the tubes... Every detail is the fruit of Zodiac's® years of experience and knowledge of the sea.

## MEDLINE EQUIPMENT

### HULL

- Deep V-shaped polyester hull
- Moulded non-slip deck
- Self-draining cockpit
- Wide bow locker (sealed)
- Sealed stern storage locker with seat
- Electric bilge pump (580)
- Hydraulic steering (580)

### TUBE

- Removable "Banana" shape buoyancy tube
- Strongan™ Duotex™ or Hypalon™-Neoprene™ fabric (500-540)
- Strongan™ Hypalon™ fabric (580)
- "Easy Push" valves
- Fabric-covered handrail
- External handle cleats
- Ultra-wide deflecting rubbing strake
- Truncated cones
- Bow roller with integrated mooring cleat

### STANDARD EQUIPMENT

- Console with varnished wood steering wheel
- Windscreen and handrail
- Co-pilot's seat with backrest (500)
- Co-pilot's seat with collapsible sundeck backrest (540)
- Co-pilot's seat with collapsible sundeck backrest (580)
- Leaning post (580)
- Bathing ladder
- Handle to get back on board
- Fuel tank (90 litres)

### OPTIONAL EQUIPMENT

- Recessed side or console housing
- Position ski mast light with portside, starboard and mooring lights
- Compass
- GPS/depth sounder
- Full bow upholstery
- Removable bow sundeck + fittings
- Bow table kit
- Shower kit with freshwater tank
- Electric bilge pump (500-540)
- Hydraulic steering (500-540)
- Ski mast
- Arch/roll bar
- Bimini top
- Teak deck
- Jacking points
- Mooring awning
- Panel Console
- Console awning
- Bolster awning (580)

Hull angle	25°	25°	22,5°

\* Awaiting approval

Indicated measurements may vary by +/- 3%, or +/- 5% for weight and speed measurements. (1) Maximum permitted load is calculated using ISO standards. Caution is advised when operating fully laden boats. (2) Recommended power is based on optimal use of the boat's abilities under average load. Depending on use, choose either maximum (waterskiing) or minimum power (fishing, cruising). (3) The manufacturer's plaque specifies maximum permitted power. The power of your boat must not exceed this under any circumstances. (4) Maximum permitted weight: dry weight, according to motor manufacturer's catalogue specifications. (5) Maximum speeds are intended as a guide only; they were measured in ideal conditions by professional pilots with one person aboard. They may vary according to make of motor, boat load, propeller type and water conditions. (6) Models in this catalogue are sometimes shown with optional accessories. Please check standard equipment supplied with each model and see your distributor for any additional equipment. The availability of certain models, as well as certain equipment details may vary from country to country (e.g. USA, Canada). The boats photographed in this catalogue may differ from the actual models. Zodiac® continually strives to improve the quality of its products and as such reserves the right to modify or delete any model presented in this catalogue without prior notice. Zodiac® recommends that a life jacket is worn at all times; it is your own responsibility to check the legal obligations on your navigation zone.
